1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Duke Power Is our Electric Power Provider.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I know Duke power is a good and reliable Company. However this is not a good time to raise rates. Pay has been frozen where I work for 5 years and I'm glad I still have a job. A lot of people don't have jobs anymore and more and more people are loosing their home,cars and everything they have. My wife no longer works and so I carry most of the burden to pay bills With my pay frozen and very little if any overtime we don't put much money into savings as there is little left. I feel Duke is entitled to a modest raise as I know the price of fuel has risen However what they are asking is way to much. We ask you to give the little guy a break not a hand out

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

I would not be able to make an appearance but thanks for the invitation. I will be at work
